

Example Workshop

Developing vision – with motivation and commitment

Aims

Co-create a shared vision for a team or organisation

Gain clarity about the difference you make

Generate enthusiasm and commitment about the way forward

Vision and values workshops (1/2 day - 1 day) which can be designed to include the following:

- The power of vision
- Making it personal
- Values in context
- Exploring excellence
- Growing your vision
- Vision forming – emerging themes
- Articulating a vision in such a way that it serves a purpose
- Next steps

Here's what one recent client said after a workshop like the one above.

I was very pleased at how the day turned out... I was really impressed with the planning of the workshop. Your approach was very clear and the delivery took into account the different levels of business knowledge in the team. Likewise, I enjoyed the delivery of the workshop. I would be most happy to recommend you to others and look forward to working with you again!
